Therefore acceptance was made%26%23160;after the fact%26%23160;with reflection on how refusal would likely to diminish the reputation of Cyber Griffin and CoLP because of offence caused. Cyber Griffin and Macfarlanes have worked together for a long period of time (~ 2 years ) and will continue to do so, still providing the free services to Macfarlanes LLP to assist in keeping their organisation secure, and also with links to their associate organisations in the legal industry. Our future work with Macfarlanes was ongoing regardless of the gift received. The gift is for the Cyber Griffin team which has 6 members whom have performed the services for Macfarlanes with the intention being a bottle for each. Currently we plan to pass these out to the wider cyber crime unit but are happy to donate these to an organisation of the forces choosing should they wish to. Please contact us if so. Stored at the moment for the near future.
